

Step-by-Step Instructions for doing electronic business with FSA on your home computer

E-government provides a more efficient way to meet the demands of a farm or ranch by doing business with FSA on your own time.

Instructions follow for:

- Level 2 Access – provides a username and password for conducting business online. Certain criteria are required for the password explained in the instructions.
- Financial Inquiries – a look at your financial history of business conducted with FSA. This does not include Farm Loan information.
- USDA Customer Statement – a look at your financial history of business conducted with USDA agencies such as the Natural Resources Conservation Service (NRCS), FSA, and Rural Development (RD). Includes Farm Loan.
- eForms – provides forms used for applying for FSA and NRCS programs. Forms may be downloaded and printed or submitted electronically over the Internet.
- eDCP – apply for Direct and Counter-cyclical Program Payment (DCP) program benefits on-line without traveling to a FSA office.
- eLDP – apply for Loan Deficiency Payments (LDPs) on-line without leaving the comfort of your home.
